

Senator Mike Rounds would like to invite all interested high school students and their families to attend the annual Service Academy Day. This event will help students and their parents familiarize themselves with the application and nomination process to any of the nation's five service academies.

Academy representatives will be on hand to answer questions.

For more information or to RSVP, please contact GP Carmichael at **605-343-5035** or by emailing GP.Carmichael@Rounds.Senate.gov. Hope you can join us!
